PETITION TO _____COUNTY FOR THE IMMEDIATE REMOVAL OF VISION _____ PLAN, AS WELL AS COMPREHENSIVE AND SUSTAINABLE DEVELOPMENT PLANS

We, the undersigned citizens and taxpayers of _____ County, hereby demand of (Mayor_____, City Council, County Commission) the immediate removal of Vision _____ Plan, as well as of any and all comprehensive and sustainable development plans currently being developed or being implemented in this county, either indirectly through tax-payer funded grants or directly through taxpayer funds.

Whereas we are citizens of _____, a sovereign state of the United States of America, we do not, nor will we ever, recognize any recommendations, policies, regulations, or other intrusions by the United Nations and other "Global" bodies in our county. Our unalienable rights, which have been granted to us by our Creator, include the right to personal property, which the U.S. Constitution, our country's Rule of Law, protects. Vision, comprehensive and sustainable development plans abuse this right, are thereby unconstitutional, and therefore must be removed now.
