The Honorable Senator/Representative _____,

In 1952, H.R. 7249, Public Law 82-495, 66 Stat. 549 was passed and codified into law. Page 7 of this law (66 Stat. 556) includes the following language:

SEC. 111. No part of any appropriation contained in this title shall be used to pay the salary or expenses of any person assigned to or serving in any office of any of the several States of the United States or any political subdivision thereof.

SEC. 112. None of the funds appropriated in this title shall be used

(1) to pay the United States contribution to any international organization which engages in the direct or indirect promotion of the principle or doctrine of one world government or one world citizenship;

(2) for the promotion, direct or indirect, of the principle or doctrine of one world government or one world citizenship.

I have been unable to find where this language was codified into law, incorporated into the United States Code (USC); nor have I been able to find where this language was repealed.

Does this language still exist in the USC? If so, where? If repealed, when was it repealed and by the passage of what law?

Thank you for your help in this matter.

Sincerely,
