

America Is My Name

The greatest danger to American freedom is a government that ignores the Constitution
Thomas Jefferson, Third President of the United States

Fellow Americans:

The American way to help people is to empower them by telling the truth.

Proud to Be an American...

Are you? Do you have the stomach for what comes next? When studying successful movements we learn successful people in their mission because they have a goal, a plan and are committed to sacrifice to make their plan work.

Do you have mission? have a goal? a plan? and are committed to sacrifice to make your plan work?

American's Mission...

To expose the truth and the people who are working hard to destroy America.

To Declare our Independence from such traitors.

The Goal...

Win in 2014.

The Plan...

Replace as many seats as possible regardless of party with people dedicated to America, freedom, liberty and exceptional-ism. Expose the lies. Stop Political Correctness.

Never forget... Reread the Declaration of Independence. ***Then cut and paste, send to every legislator?***

The Declaration of Independence:

IN CONGRESS, July 4, 1776.

The unanimous Declaration of the thirteen united States of America,

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.--That to secure these rights, *Governments are instituted among Men, deriving their just powers from the consent of the governed*, --That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, lay its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are suffer-able, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpation, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.--Such has been the patient sufferance of these Colonies(*American citizens*); and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain (*Barack Obama*) is a history of repeated injuries and usurpation's, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

- He has refused his Assent to Laws, the most wholesome and necessary for the public good. (*Obama chooses the laws he wants to enforce*)
-
- He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them. (*Obama sues the states*)
-
- He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only. (*Obama spies and intimidates*)
-
- He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their public Records, for the sole purpose of fatiguing them into compliance with his measures. (*Obama has separate special meeting off the record*)
-
- He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people. (*Obama's massive overreaching executives orders when congress will not comply*)
-
- He has refused for a long time, after such dissolution, to cause others to be elected; whereby the Legislative powers, incapable of Annihilation, have returned to the People at large for their

- exercise; the State remaining in the mean time exposed to all the dangers of invasion from without,
- and convulsions within. (*Obama has appointed the enemy - Muslim Brotherhood to key positions*)
-
- He has endeavored to prevent the population of these States; for that purpose obstructing the Laws
- for Naturalization of Foreigners; refusing to pass others to encourage their migrations hither, and
- raising the conditions of new Appropriations of Lands. (*Obama refuses to obey current immigration*
- *laws, close the borders, but grants Amnesty to terrorists under the Dream Act and Refugee*
- *Executive Orders*)
-
- He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing
- Judiciary powers. (*Obama instructs the Supreme Court while requesting favorable politically*
- *based decisions*)
-
- He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount
- and payment of their salaries. (*Obama spies, the justices are not immune.*)
-
- He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our people,
- and eat out their substance. (*Obama has increased the size of his appointments for agencies,*
- *filling posts with Muslims and communists while increasing fees, permits and taxes destroying*
- *the middle class.*)
-
- He has kept among us, in times of peace, Standing Armies without the Consent of our legislatures.
- (*Obama has brought NATO and Russian troops to America, Obama has asked if the US military will*
- *fire on Americans*)
-
- He has affected to render the Military independent of and superior to the Civil power. (*Obama is*
- *neutering the military and replacing it with Muslim Brotherhood and civilian army under DHS*)
-
- He has combined with others to subject us to a jurisdiction foreign to our constitution, and
- unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation: (*Obama*
- *supports and is instituting UN Agenda 21 sustainable development by declaring items unsustainable*
- *without merit.*)
-
- For Quartering large bodies of armed troops among us: For protecting them, by a mock Trial, from
- punishment for any Murders which they should commit on the Inhabitants of these States: (*Russia*
- *and NATO Troops on American soil, FEMA CAMPS, DATA MINING Center*)
- For cutting off our Trade with all parts of the world: (*Obama declare war on industry and uses*
- *departments to over regulate and force ably closing American industry, shipping jobs overseas,*
- *forcing Americans to eat food from un inspected farms and fisheries, buying foreign oil from our*
- *enemies while closing American oilfields*)
-
- For imposing Taxes on us without our Consent: (*Obamacare*)
-
- For depriving us in many cases, of the benefits of Trial by Jury: (*NDAA*)
-
- For transporting us beyond Seas to be tried for pretended offenses (*Not supporting our friends -*
- *the Clergy in jail in Pakistan, Murder of 4 Americans in Benghazi, Murder of Seal Team VI as part*
- *of the Extortion 17 mission.*)

- For abolishing the free System of English Laws in a neighboring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies: (*Obama is siding and arming the enemy in the Middle East and Mexican cartel*)
-
- For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments: (*Obama signed EO declaring state sheriffs and police must answer to DHS*)
-
- For suspending our own Legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever. (*Obama sues the states*)
-
- He has abdicated Government here, by declaring us out of his Protection and waging War against us. (*Obama's agencies reward their friends - donors and punishes their enemies - IRS scandal.*)
-
- He has plundered our seas, ravaged our Coasts, burnt our towns, and destroyed the lives of our people. (*Obama's over regulating agencies are using lies to steal private property under the name of saving the environment.*)
-
- He is at this time transporting large Armies of foreign Mercenaries to complete the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation. (*Obama has NATO, RUSSIAN and Muslim Brotherhood on ready alert.*)
-
- He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands. (*Obama has tied the hands of the military forcing them to fight without bullets, use PC, refusing to identify and name the enemy. Obama has funded and continues to fund our enemy.*)
-
- He has excited domestic insurrections amongst us, and has endeavored to bring on the inhabitants of our frontiers, the merciless Indian Savages (*Somali Radical Muslim Brotherhood,*) whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions. (*Obama promotes division among American's by promoting class warfare.*)

In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A Prince (*Obama*) whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people.

Nor have We been wanting in attentions to our British brethren (*US Congress*) . We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here (*the US Constitution*). We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpation, which, would inevitably interrupt our connections and correspondence. **They too have been deaf to the voice of justice and of consanguinity.** We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends. (*while demanding they impeach Obama, the impostor.*)

We, therefore, the (*People*) Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name,

and by Authority of the good People of these Colonies (*states*), solemnly publish and declare, That these United Colonies (*states*) are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, (*Obama regime*) and that all political connection between them and the State of Great Britain, (*Obama regime*) is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

We the People, Demand Impeachment.

What can we do? Tell the Truth

If the people of Egypt can unite and 17 million can fight for their country, can you fight for America?

"Anti-government protesters' main complaint was the worsening economy, which has been in free-fall since Morsi took office, with the Egyptian pound losing nearly 20 percent of its value and industry crippled by fuel and electricity shortages." Substitute Obama, the dollar has lost about 40%.

The Egyptians get it DO YOU?

Today, the Egyptian Military removed Mohammad Morsi from office in a coup. The military announced there would be new elections and more importantly, they were reversing changes Morsi had made to the Constitution that were turning Egypt into a Islamic State. Barack Obama has done everything he could to support the Muslim Brotherhood in Egypt and in America. Obama is a traitor to the people of America.

Learning the TRUTH is work...

- Will you step outside your comfort zone Cut and Paste, sent the Declaration of Independence to
- Congress and demand impeachment?
- Will you learn the truth, educate yourself and share that information with others?
- Will you stop political correctness? Talk about Politics and Religion
- Will you run for office?

Today I Declare My Independence, I am proud to be an American...

I will not be part of any political party that uses the US Constitution as a tool for evil by twisting words and laws.

I have resigned from the Republican Party. The globalist in hiding running the RNC, Jeb Bush is bending laws to suit his purpose, lying to the people and asking us to sanction his lies. That is more than I can stand. The

Bush clan is just as evil as the Obama clan. I see no difference. They both answer to money, power and control and are using the UN as a platform. I believe if you want things to change then you must become part of the change. Today I am Independent.

Remember

I know no safe depository of the ultimate powers of the society but the people themselves: and if we think them not enlightened enough to exercise their control with a wholesome discretion, the remedy is not to take it from them but to inform their discretion by education.

Thomas Jefferson

“All tyranny needs to gain a foothold is for people of good conscience to do nothing.” Thomas Jefferson

Will you become Thomas Jefferson? One man who taught us all, ONE MAN CAN MAKE A DIFFERENCE.
