OCTOBER 1, 2011**

PROGRAM

**7:15-8:00 Sign In
Meet & Greet
Vendors**

8:00-8:15 Welcome, Prayer, Pledge, National Anthem

PRESENTATIONS

8:15-8:45 Global Governance

The New World Order (NWO) is a worldwide conspiracy being orchestrated by an extremely powerful group of individuals whose goal is to create a One World (fascist) Government, stripped of nationalistic and regional boundaries. Their intention is total control over every human being on the planet.

Glenn Pav, a former pastor for 20 years, is a current member of the Black Robe Regiment. He hosts a weekly radio show on WGUL 860-AM called, "Patriots' Ink Righting the Right," which regularly focuses on U N Agenda 21.

8:45-9:15 The Next Climate Change

The "global warming," farce, which has been used as the reason for implementation of the liberty-destroying policies of UN Agenda 21, is exposed.

John Casey is currently the President of the Space and Science Research Center. Over the past 35 years, he has been a national space shuttle engineer, consultant to NASA Headquarters, and consultant to or president of several leading edge technology start-ups. He is the author of Cold Sun, which reveals the untold story of ominous changes taking place in the Sun, which will result in inevitable and unstoppable climate changes on Earth.

9:15 - 9:30 The Precautionary Principle: Undermining the Integrity of Science

The Precautionary Principle, as formulated at the Earth Summit, states that "nations shall use the precautionary approach to protect the environment."

Tom Cuba, PhD, a veteran of the U.S. Navy, is in private practice as the owner and Chief Scientist of his Environmental Consulting firm, is a Member Scientist of a non-profit research group, and serves as a Courtesy Professor at the University of South Florida.

9:30 -10:00 Agenda 21 in Education: From the Marxist take-over our government schools to Race to the Top

If we do not educate ourselves on the history and methods used to infiltrate our schools, take-over our textbooks, and manipulate our children into believing the doctrines of socialism and global citizenship, we will have no understanding of how to save our future generations and the future of this great nation. We must rescue our children from this indoctrination, or everything we do today to save America is in vain.

KrisAnne Hallis is a Constitutional attorney and former state prosecutor. She now travels the country and teaches the Constitution and the history that gave us our founding documents. She is the author of Not a Living Breathing Document: Reclaiming Our Constitution, and of the DVD series, The Roots of Liberty: The Historic Foundations of The Bill of Rights.

10:00 - 10:30 Land Grab

Through government grants, the United Nations is grabbing up private property across America and establishing “buffer zones,” to achieve its stated goals of “sustainable agriculture” and “sustainable rural development.”

Stephen Hunter, a Viet Nam war veteran, is a retired manufacturer of virtual reality-based products and 35 years with Lockheed Martin. He is now involved in farming and heavy equipment. Active in the Tea Party movement since its beginning, he has been researching Agenda 21 for over two years.

10:30 - 11:00 How Energy Affects Your Pocketbook

Cap and Trade and U.S. energy policies affect each and every one of us. These policies are being implemented locally, nationally and globally. This implementation is not even about or climate change; it is about redistribution of wealth.

Laura Rambeau Lee is an active member of the conservative movement in the Tampa Bay area. She writes on political issues, with concentration on Agenda 21, and contributes to: [examiner.com](#), [Biggovernment.com](#), [louden.com](#), [Liberty Ink Journal](#), and [Smart Girl Nation](#). laura997@verizon.net

11:00 - 12:00 UN AGENDA 21: THE RACE FOR GLOBAL GOVERNANCE

Dr. Michael Coffman played a key role in stopping the ratification of the Convention on Biological Diversity (Biodiversity Treaty) in the U.S. Senate an hour before the Senate was scheduled to vote on its ratification. His maps and information have been used by local citizens across America to stop the global agenda at the local level.

He has been a featured guest on numerous TV and national radio shows. Dr. Coffman has written a definitive book that exposes the pantheistic environmentalist phenomenon, *Saviors of the Earth? The Politics and Religion of Environmentalism*. His two most recent DVDs, [Global Warming or Global Governance](#) and [Global Warming, Emerging Science](#) have received accolades from around the world. In 2010 he published his newest book, [Rescuing a Broken America; Why America is Deeply Divided and How We Can Heal it Constitutionally](#).

12:00 – 12:45 LUNCH & Vendors

PRESENTATIONS

12:45 -1:45 Dr. Coffman (continued)

1:45-2:15 Job Loss and the Trade Deficit

The major cause of our economic problems is job and income loss from foreign trade treaties. This presentation will give factual data and information to support this and will provide a plan to rebuild the economy

Dave Miller, a US Army veteran, is a life member of the Institute of Electrical and Electronic Engineers (IEEE). He is a semi-retired Senior Sales and Marketing Professional for several major U.S. electronic firms. Dave is an Agenders Coordinator, the Education Director for the Tampa912.

2:15 - 2:45 Bye-Bye Property Rights

Learn what is happening to our property rights and how they are being taken by our local, state, and federal governments to control how we live, work, and play.

Debra Caso is a small business owner in the Tampa Bay area who is very active in several patriot organizations. She has been researching Agenda 21 for several years and gives presentations about it to local groups. debra@tonycasodesigns.com

2:45 - 3:15 Local Regulations on Fishing

The entire fishing industry in America has come under the influence of UN Agenda 21 and is controlled locally through ICLEI.

Captain Sid Preskitt worked for many years in the commercial diving business, has owned and operated a commercial fishing business, and currently serves as a director for the Southeastern Fishing Association. He has been researching Agenda 21 for more than 15 years.

3:15 - 3:45 The 4 E's

The 4 E's of UN Agenda 21 - Education, Equity, Economy, and Environment - are the explicit means by which The United Nations plan to achieve Global Governance is being implemented.

Karen Schoen, a retired teacher, is a director for Panhandle Patriots and for Tea for Education. She is a talk show host on RepatriotRadio.com, a speaker on UN Agenda 21, and a journalist/contributor on Gulfspeaks.com and Agenda21today.com.

3:45 - 4:00 Action Plan: Boots on the Ground!

What can we do with all we have learned?

Tony Caso is the owner of a custom cabinet and drapery business in the Tampa Bay Area. He is very active in 912 North and Patriots' Ink. He has been an activist to remove ICLEI and Greenprint from Pinellas County for the past two years. His contact is: debra@tonycasodesigns.com

Rise like lions after slumber,
inunvanquishable number.

Shake your chains to earth like dew
which, in sleep, had fallen on you.

We are many - they are few!

GOD BLESS YOU,

AND

GOD BLESS AMERICA!
