

Karen Bracken added a section for The Property Rights Council and a tab for the 40 yr. growth plan located on her website called: [americadontforget.com](http://americadontforget.com)

Please visit and register on the site. You do not have to register to take advantage of the information on the site. I would like to give a little explanation as to how to navigate the site.

LINKS Tab has a ton of Agenda 21 information. The information is broken down into Categories. You can select the Category and go directly to that information. EX: Agenda 21 Websites, Agenda 21 Video, Agenda 21 Movies etc.

DOCUMENTS Tab also has categories to select from. Agenda 21 Presentations and Tools To Fight Back and all the documents for the Property Rights Council.

40 YR. GROWTH PLAN (TN, GA, AL) Tab you will find all that I have collected to this point. I will be adding things here and to the DOCUMENTS sections as we move forward.

PROPERTY RIGHTS COUNCIL Tab you will find a description and Mission statement also a link to the Bonner County Idaho Property Rights Council website.

EVENTS Tab It is my intention to enter Council and Commission meetings and locations for the 16 counties as our leaders send the information to me so everyone will have 1 place in order to find meeting schedules. I will also post visioning meetings, 16 County leader meetings etc.
