

The Tea Party Requests a Hearing

History tells us how lucky Americans are. For thousands of years humans have been enslaved. Americans have something rare, precious, and totally unique. Freedom has rung in our land, if the bell stops ringing: Freedom will vanish from the face of the earth. I kind of like freedom. How about you? If it hung around for a while longer, I could live with that.

So, why the stampede to get rid of such a precious commodity?
Say the word: FREEDOM. Let it sink in. It even has a nice sound as well as a nice meaning. Freedom, Freedom, Freedom, I like it.

What does that mean? Each one of us has a slightly different meaning. But a broad general meaning, as meant by our founding fathers is: GOVERNMENT OUT OF OUR BUSINESS, OUT OF OUR LIVES. We behave, leave us alone.

In the not too distant past an inebriated man made a profound comment on our society. He said: "Why can't we all just get along?"
Indeed we do ourselves a great disservice when we bicker, and those who would control us know this. Let us fool them, and turn the tables on them.

Get along, and make certain we all have a level playing field. Fair is fair. Isn't that what we all want?

The top and bottom classes are the bread in our human sandwich. The middle class is the peanut butter. Lately, the peanut ball has shrunk, and it is so small, and it is spread so thin it can barely cover the bread. What will happen when a new avalanche of new taxes is added to our burden?

Vanishing peanut butter.

God bless America.

Operation Shoe Leather

Since we suffer from a dearth of funds,
this seems our only option.

How else can we hope to reach the 324,857 residents of Marion County? There are 472 churches in Marion County. Can we do it?

We approach each person with our best smile, and our information packet.

1. Letter of introduction. Request the message be included in the Sunday sermon, please?
2. Revelation letter
3. Flyers, for bulletin board.
4. Tea Party cards, as many as needed.
5. Voter registration forms
6. Leave a phone number, if any further info is needed. Help is a phone call away.
7. Get a contact number, for follow up. Show we are interested in their votes.
8. Please, keep a log of contacts, and addresses. Do not want to miss any viable voting pockets.

Dear Pastor:

Enclosed is a packet of material. Would you please take a few minutes to study the contents?

First: there is a voter registration poster, and form which can be downloaded from the supervisor of elections site. If these could be posted on a bulletin board it would be most helpful. We are hoping to have citizens participate in this very crucial election.

Second: There are two letters which we hope you will find the contents suitable to include in your sermon, and possibly print in your bulletin. The first deals with the topic of freedom, which we all enjoy at the present. The second is a call to

appeal to a higher authority on July 4 at noon. If every American got down on their knees, and shouted heavenward: and deliver us from evil. Amen. The cacophony might reach God in one shot. If not, we try again, and again.

Third: Is a widely circulated article about” Pastor Guts”. In case you missed it.

This voter drive is being conducted by the Tea Party, and some of our cards are in the packet as well. If your congregation should like to do a check on the candidates, they are on the site, and they have been vetted, and graded.

Thank you for taking the time to study these items. Hope they have been helpful, and they will encourage your congregation to go out, and vote.

May God bless America, and keep her safe from harm.

Sincerely,

The Tea Party Patriots of Ocala

Dear God

Please bless our efforts to keep the hard won freedom given to us by our founding fathers. We have committed ourselves to this just cause.

Evil forces are trying to take that freedom from us, and they are a mighty force. We are the weak, and powerless pitted against this formidable enemy. We are David. They are Goliath. We need Your help in this arduous and noble battle. We need that one well placed stone. Without Your help and guidance we cannot achieve victory.

In the history of mankind, Your help has never been needed more than it is today.

In this our hour of need, hear and answer our prayers. Give us the strength, and courage to stand fast against those who would enslave and control us.

Victory will only be ours, if You hear and answer our prayers.
Deliver us from evil. Amen
