

I wouldn't trust any articles appearing in the Washington Post or New York Times. Both newspapers are shills for the international socialist crowd pushing us towards one world government. Katherine Graham was a member of the Socialist International so that tells you where she was coming from. Read the following:

Excerpt from a letter written by MacDonald Hays to a newspaper editor:

"The NEW WORLD ORDER (NWO) is the bait on the hook. Although it is portrayed as being desirable, it is not adequately defined in the media by the liberalus worldordus so boobus and his fellow boobi can understand their fate.

Lenin was not the first to call for the NWO, but he was probably the most influential. In 1916, Lenin wrote: "The aim of socialism is not only to abolish the present division of mankind into small states and all-national isolation, not only to bring the nations closer to each other, but also to merge them." The great merger of nations was to be on socialist terms. This meant brutal deaths for many people.

Mikhail Gorbachev gave his vision of the NEW WORLD ORDER in a speech before the United Nations in December 1988. As a dedicated Communist and Leninist, his vision is "merger."

Willy Brandt was president of Socialist International for several years. The Brandt Commission (Also known as the Fifth Socialist International) met in West Germany in February 1991. Robert McNamara (another world socialist), former head of the World Bank, and Katherine Graham, owner and editor of Newsweek, were among the socialistus internationalismus elite present.

The definition of THE NEW WORLD ORDER was officially approved and signed by the participants: "A supra-national authority to regulate world commerce and industry; an international organization that would control the production and consumption of oil; an international currency that would replace the dollar; a world development fund that would make funds available to free and Communist nations alike; an international police force to enforce the edicts of the New World Order." Who decides what edicts are enforced on whom?"

Why would anyone who believes in our Constitutional Republic take the word of those affiliated with world socialism for anything? The drive to replace the U.S. dollar as the world's reserve currency is being pushed by the G20, et al so it's just a matter of time before our currency collapses. The "international bankers", as Carroll Quigley called them in his book, Tragedy and Hope: A History of the World in Our Time, are running every

central bank using fiat money which will, eventually, collapse the world's economy allowing them to step in with their "solutions" that will be more of the same with a new world currency that they control.

The above attachment outlines who actually controls the mass media and what we are "allowed" to read/know about. It's only what they want us to know.

Finally, Bob Woodward of Watergate fame, is just another writer for the Washington Post who believes in world socialism. Just like the Post in general, his words are slanted towards the socialist side of most issues. If they were not, he would have investigated and reported the scandals revolving around Obama and there are plenty of them to be had. He may have had access to Bush & his quotes but you can bet they did not give Woodward everything. Most likely, they were scripted for publication & he was given what they wanted him to have.

If I sound skeptical, you "betchum Red Ryder". Politicians don't give their secrets to any writer. All of the wars starting with WWI, on to WWII, Korea, Viet Nam, Iraq, & the War on Terrorism, etc. have been designed to do one thing, move us into a one world government. Frankly, they are doing one hell of a job.

P.S. If you do not believe that many media reporters are world socialists, then here is a link to a youtube video of Walter Cronkite Receiving the Norman Cousins Global Governance Award at a World Federalist Assn. Meeting--FYI: In this clip, Cronkite confirms his belief in a goal of one world government; additionally, a short cameo of Hillary Clinton congratulating Cronkite on his working toward one world government. Guess she's for it also!!

Media Manipulation

How could such a large scale conspiracy controlling the human race occur without the mainstream media ever noticing?

Do the manipulators have control of the media as well?

“Corporate ownership intermingled with secret society members, many of whom are employed in the media, may explain why Bilderberg, Trilateral, and CFR meetings are not reported by America's ‘watchdog’ media.

In fact, the membership lists of these societies read like a who's who of the mass media.”

Jim Marrs, “Rule by Secrecy” (107)

Past and present members of the globalist secret societies [Bilderberg](#), [CFR](#), and [Trilateral Commission](#) have headed the following media giants:

- ABC
- CBS
- NBC
- PBS
- CNN
- AP
- Reuters
- New York Times
- New York Post

- Washington Post
- Washington Times
- L.A. Times
- Wall Street Journal
- Newsweek
- Business Week
- National Review
- Time
- Life
- Look
- Fortune
- Reader's Digest
- U.S. News & World Report
- Atlantic Monthly
- McCall's
- World Review
- Scientific American
- Sesame Street (CTVW)

Many minor media newspapers/publishers are CFR owned as well, for instance:

- Arkansas Gazette
- Des Moines Register
- Des Moines Tribune
- Guy Gannett Co.
- Houston Post
- Minneapolis Star
- Minneapolis Tribune
- Denver Post
- Louisville Courier

CFR owned book publishers include,

- Macmillan
- Random House
- Simon & Schuster
- McGrawHill
- Harper Brothers
- Little Brown & Co.
- Viking Press
- IBM Publishing and Printing
- Xerox Corp.
- Yale University Press
- Harper & Row,

...many of which specialize in children's textbooks.

"Furthermore, sitting on the boards of directors of the corporations which own the media are secret society members.

Some of the well-known reporters, anchors, and columnists who are members of the CFR and/or the Trilateral Commission include,

- Dan Rather
- Bill Meyers
- C.C. Collinwood
- Diane Sawyer
- David Brinkley
- Ted Koppel
- Barbara Walters
- John Chancellor
- Marvin Kalb
- Daniel Schorr
- Joseph Kraft
- James Reston
- Max Frankel
- David Halberstram
- Harrison Salisbury
- A. Ochs Sulzberger
- Sol Linowitz
- Nicholas Katzenbach
- George Will
- Tom Brokaw
- Robert McNeil
- David Gergen
- Mortimer Zuckerman
- Georgie Ann Geyer
- Ben J. Wattenberg,

...and many others.

Small wonder so many researchers see a conspiracy of silence among these media peers.”

Jim Marrs “[Rule by Secrecy](#)” (107)

The Rothschilds own *Associated Press* and *Reuters*, the two largest news organizations in the world.

Reuters is “the world’s largest international multimedia news organization,” and AP boasts being,

“the backbone of the world's information system serving thousands of daily newspaper, radio, television and online customers with coverage in all media and news in all formats. It is the largest and oldest news organization in the world, serving as a source of news, photos, graphics, audio and video.”

Control over the internet, publishing, recording and top cable companies belongs to GE, Time Warner, Viacom, Disney and Newscorp.

These are directly or indirectly owned by the Rockefellers, Rothschilds, Morgans and Oppenheimers which are all Illuminati bloodlines, and their boards of directors look like CFR rosters.

“Look at Ted Turner, the Council on Foreign Relations member who was supposed to be taking on the system with his Cable News Network (CNN). He sold out to Time Warner, one of the greatest Brotherhood operations on the planet, and CNN pounds out the official line hour after hour, day after day...

The three television networks in the United States, CBS, ABC, and NBC are controlled by members of the Round Table network and so are the Washington Post, Los Angeles Times, New York Times, Wall Street Journal, and a long, long list of others. The same goes for country after country.”

David Icke, “[The Biggest Secret](#)” (272)

“Instead of three competing television networks called NBC, CBS, and ABC, what we really have is the Rockefeller Broadcasting Company, the Rockefeller Broadcasting System, and the Rockefeller Broadcasting Consortium.”

Gary Allen, “[The Rockefeller File](#)”

Also note that CBS (a.k.a. Conspiracy Brainwashing Syndicate) for instance, has over 255 radio and 200 TV affiliates nationwide, ABC has over 150 TV.

Time Inc. (Skull and Bones & CFR) owns newspapers, magazines, movie houses, book publishers, and over thirty TV stations. These corporate giants own every major name in media and most of the minor names as well.

As time goes on these huge corporations continue merging, monopolizing, and buying up all competition so that now only 5 mega-corporations, all Brotherhood controlled, own 90% of the media.

“We know in the not too distant future, a half dozen corporations are going to control the media. We took this step (merger) to ensure we were one of them.”

AOL/Time Warner spokesperson.

The biggest US media giant is AOL Time Warner.
