Panel Discussion

- Invite all public officials, especially those running for any office with any county association to attend and seat them in the front rows.
 - They will not be on panel, but will be expected to comment , ask questions of the panel, and interact as audience member.
 - Other members of audience can also interact, ask questions, and comment also, but public officials will be particularly encouraged to participate and panel may even direct comments or questions to them as well.
 - Submit press release to all local media and invite public to attend.
 - Seat group members in rows directly behind candidates.
 - Seat non-members behind members.
